

KARORI WEST OSCAR GROUP INCORPORATED

FEE SCHEDULE 2008

COST

Fulltime care: \$52.00 per week, per child

Part-time care (four or fewer individual days): \$12.50 per day, per child

Fees are also charged for statutory holidays and teacher-only days that fall in term time.

PAYMENT METHOD AND TERMS

As a requirement of membership, all fees are to be paid by automatic payment, which must be set-up with your bank in advance of the school term commencing. Automatic payments continue throughout the year, including the school holidays. Once the full amount of fees has been received, the Treasurer will contact parents and the automatic payments can be suspended until the following school year.

OVERDUE FEES

If payments repeatedly dishonour, parents will be asked to pay for a term in advance.

If fees remain unpaid after ten days, membership will cease and parents will be liable for all fees incurred including collection and legal fees.

If parents are experiencing difficulties in meeting payments, they are expected to contact the Treasurer to discuss their circumstances.

LATE COLLECTION FEE

A fee of \$15.00 per quarter hour, or part thereof, will be invoiced separately if children are collected after 5.45pm. This fee covers the extra staff wages that are incurred.
